

Springville Band Boosters

MEETING MINUTES

Call to order: 6:30pm

News from the President (Rusty Starnes):

- The band boosters will be feeding students before away games and during the 3rd quarter at home games. The boosters will also be providing food for band competitions. This should cut down on keeping up with students and concession stand wait times for long lines.
- There are always coolers with water available at every game and all competitions.

News from the Vice President (Todd Ludwig):

- Queen of Hearts Pageant - we need all the help we can get. This pageant is in February. Please contact Todd Ludwig if you are interested in helping.
- If you have any fundraising ideas, we need ideas. Any and all ideas are welcome. Please contact Todd Ludwig if you have any thoughts.

News from Treasurer (Brandi Hill):

- Band fees are now PAST due. If you are having issues paying your fees, please communicate that information to Brandi Hill (Treasurer), Rusty Starnes (President) or Mr. Gammon. We want to make sure every student is taken care of.

News from Concessions Director (Valerie Cosby):

- If you are able to work in the concession stand for any games - Varsity or JV - please contact Valerie Cosby. This is our ABSOLUTE BIGGEST fundraiser and

without it, we cannot operate the band nor make any improvements in equipment.

- If your band kid is a senior, consider helping on JV nights.

News from Committees:

- Pit Crew: we really need more parents to volunteer for pit crew duty. Helping out in the pit crew allows you to be on the field during the performance. You are also responsible to helping load and unload equipment for the halftime show. As a pit crew member, you are KEY in helping the show be successful. If you are interested in helping, please reach out to Mike Bowman.
